CLC – Cyber Learning Credits

Each Learning Credit (CLC) is valued at \$100 (USD) and is valid for one year from the date it is activated.

Check Point CLC enables customers to purchase training when buying new software, appliances, support and services.

The ability to get the most of your Check Point Cyber Security investments and meet your business goals is directly tied to the skills and expertise of your IT staff.

In order to redeem your Cyber Learning Credits, please watch the [Video: How to redeem CLC's](#)
